

COMPASS PUBLIC  CHARTER SCHOOL

Preparing each child with a personal compass that will guide them in life's directions

Dear Parents,

It is with great pleasure and excitement to announce the Compass Aviator Yearbook Club. We are looking for parents and students (grades 5th – 8th) who would like to assist in the development of an outstanding yearbook. The club will meet the first Monday of the month beginning in November at 3:30 pm (date and time are flexible) in the Elementary Computer Lab. This year we are using a new company, Memories. If you are interested in impacting the design and content of this year's yearbook then this is the club for you.

We could really use your help by taking various pictures in your child's class. Please indicate that below.

Please fill out the bottom portion of this letter and return it to the office and I will be in contact with you.

Thank you in advance for your support.

Sincerely,
Greg Cordero
