

SIMPLE STATEMENTS

1. Es importante _____. (It's important _____)
2. Es necesario _____. (It's necessary _____)
3. Es urgente _____. (It's urgent _____)
4. Es simple/fácil _____. (It's simple/easy _____)
5. Es difícil _____. (It's difficult _____)
6. Es posible _____. (It's possible _____)
7. Es imposible _____. (It's impossible _____)

These statements can be used with the 100 Verb list. Simply plug in the infinitive form of the verb (to eat=COMER) and the statement will say "It's important to eat"

8. No es importante _____. (It's NOT important _____)
9. No es necesario _____. (It's NOT necessary _____)
10. No es urgente _____. (It's NOT urgent _____)
11. No es simple/fácil _____. (It's NOT simple/easy _____)
12. No es difícil _____. (It's NOT difficult _____)
13. No es posible _____. (It's NOT possible _____)
14. No es imposible _____. (It's NOT impossible _____)

Simply adding "no" to the statement makes it a negative statement and the opposite.

15. ¿Es importante _____? (Is it important _____?)
16. ¿Es necesario _____? (Is it necessary _____?)
17. ¿Es urgente _____? (Is it urgent _____?)
18. ¿Es simple/fácil _____? (Is it simple/easy _____?)
19. ¿Es difícil _____? (Is it difficult _____?)
20. ¿Es posible _____? (Is it possible _____?)
21. ¿Es imposible _____? (Is it impossible _____?)

By adding a question mark and a questioning tone, this statement can become a question without modifying the words.
