## 100th Day Breakfast Tradition

**100th day of school** is a fun day of tradition for our school. There will be a pancake breakfast for all the students to enjoy. This will be served before school starts in the cafeteria. Students do not need to come earlier than normal, unless your child cuts it close to when school starts. When they arrive at school they can go to the cafeteria and eat.

Parents and staff will serve breakfast. Please plan to participate in this fun event if you can.

Thanks to Food Services of America for donating all the

If you are able to volunteer to serve that morning please email Wendy Long at [long@compasscharter.org](mailto:long@compasscharter.org).

*The auction is still in the works and donations are coming in. If you still can help let us know, send an email to the pfa.*

*Watch for Roaring Spring Passes to go on sale. They will be discounted for us to enjoy a day together this summer.*

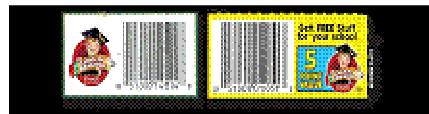

## Continue to send in Box Tops and Campbell Soup Labels

Gather your box tops and send them in this month. We will be mailing another batch at the end of the month.

We need the UPC from the Campbell's label or the bottle lid. The front of the label no longer is accepted. If you want to send in the entire label that is fine. We will cut out the UPC when we

get it. These points do add up to get us free merchandise.

*Everyone is welcome to come to the pfa meetings. The next one will be March 3rd at 6:30pm in Mrs. Simili's classroom. Everyone that comes has a vote and can be involved in the discussions. We would love to see you there!*
