Fill The Library

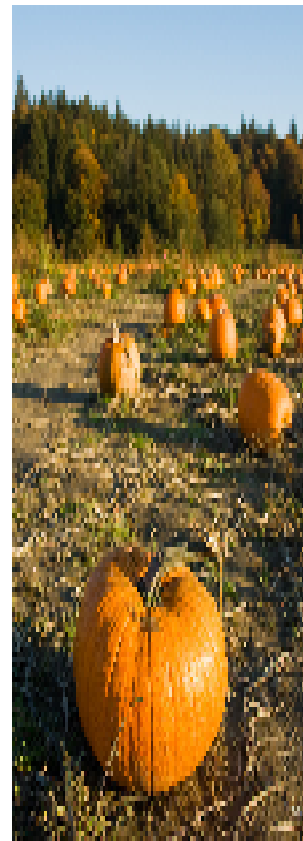

Mrs. Keller has been putting together a list of books that teachers and students would like to see in our library! Our goal this year as a PFA is to fill the empty shelves in the Library with books!! You can make do-

nations to the Library at anytime. (\$ or books)

In September some of the PFA board and others went to Chaparral and worked their school carnival in return for \$100 to go directly to our library!! A

special thanks to all of those who helped make that a successful experience!!
