

Homework

- 1) **Saxon Math** (Odd problems for odd sets, even for even sets)
- 2) **20 min. daily reading** (Read aloud to parent once a week.) Student writes the book title, minutes, and parent initials.
- 3) **Spelling** (M-Sentences, T-Syllables, W-Say, Cover, Write)
- 4) **Cursive Writing Homework**
- 5) **Mad Minutes** – One at your level and one above. Time the one at your level. The goal is at least 50 in one minute!

Student Name:

Spelling Homework
 The list will be sent home each Friday and should be kept in the homework folder. It is also available on the fifth grade page on the website. Each assignment is due the next day. ***Spelling test each Thursday.***

On Tuesdays, students need to correct all the errors on their spelling sentences. Students who have fewer than seven high-quality sentences, need to add more ideas to their sentences in response to my comments until they have at least seven high-quality sentences. Corrections should be made in **red correcting pen** because this makes them easy for me to distinguish from the original work.
