

Teacher Tip:

Check over the Homework before it gets turned in. Make sure all of the parts are stapled together.

3rd Grade News

Important Dates:

- Friday, November 21:
Homework Due

NOTICE:

There are now 4 Math lessons each week.

Homework:

- Reading Log: Read at least 20 minutes every night and fill out your reading log. (There should be a total of 100 minutes.)
- Spelling: Write each word 3 times, write a list of the words in alphabetical order, and use the 10 words in 10 complete sentences.
- Saxon Math: Complete the **ODD** problems in the Saxon Math Book: Lessons 30, 31, 32 and 33. Don't forget to show your work. Your papers should be neat and

organized with your name, number, and the date on each paper. Include a title telling which math lesson is on each page. **One math lesson per page of college ruled notebook paper please.**

Please send the reading log back each week. Homework always goes home on Fridays and comes back the following Friday.

Please remind your child to write neatly and to put his/her name and number on every paper. Staple everything to the reading log and send it back in your child's blue take home folder.

Sincerely,
Miss Kerilyn Gibbs
