

## Game Sponsorship Opportunity

### Aviator Level (\$250-\$300)

- Banner during the sponsored Game
- Announced during opening
- On the gym monitors
- Logo on the sponsored game Roster
- On game marquee as sponsor

## Annual Sponsorship Opportunity

### Bronze Level (\$50-\$199)

- Announced during one home game
- On team roster for one game

### Silver Level (\$200-\$499)

- Announced during 2 home games
- Listed on 2 home game rosters
- Listed on sponsor list
- 2x2 Banner in gym

### Gold Level (\$500-\$999)

- Announced during 3 home games
- Listed on 3 home game rosters
- Listed on sponsor list
- On the TV Monitor ads
- Listed in our yearly Yearbook
- 3x3 Banner in gym

### Platinum Level (\$1000 +)

- Announced during 4 home games
- Logo on home game rosters
- On all home gym TV monitors
- Listed in our yearly Yearbook
- Listed on the scrolling marquee on Franklin as a sponsor
- 4x4 Banner in gym

# GYM Completion for Compass Public Charter School

Compass Public Charter School resides within the boundaries of the Meridian School District, aka the West Ada School District. West Ada is Idaho's largest school district, and anticipates growth exceeding the district's current school capacity.

Compass Public Charter School (Compass) is helping address this capacity problem. We have implemented an expansion plan that will almost double our enrollment when we reach full capacity (870 to 1,560) in order to serve the 700+ new applicants we receive each year.

Charter schools are perennially some of the state's highest-performing schools; in fact, Compass is one of the top 10 public schools in the state. Yet despite their successes, charters have to build schools with fewer public tax dollars, at higher financing costs and in some cases while paying more in local fees and taxes

The lack of equitable facilities funding for Idaho charter schools has made Compass' expansion challenging and has forced the school to make compromises. Charter schools receive the same state-level funding as traditional public schools for operations, but charter schools can't access property tax dollars to fund the construction of facilities. Through recent legislation, public charter schools receive a small portion the state's education budget for facility support. For Compass, this portion provides less than 35 percent of total facility costs. Therefore, charter schools must use a portion of their operating funds to cover the remaining cost of their facilities.

The 6-12 program will move to our new, 74,000 square foot facility, which is currently under construction at Black Cat road, in the fall of 2019. The facility is planned to include two cafeterias along with the necessary classrooms to meet the needs of approximately 870 students at capacity. The Cherry Lane K-5 facility (previously a church building) is currently on the market for sale. Once sold, the proceeds from the sale will be used to add an elementary wing to the new facility, thus creating a unified K-12 campus. The elementary wing will add approximately 40,000 square feet to the 74,000 square foot building currently under construction.

To construct this facility, Compass acquired \$15,655,000 in private bond financing and intends to use a portion of the proceeds to build out the shell for the gymnasium. **However, before Compass could get a building permit, it was assessed fees totaling \$400,000 from the Ada County Highway District (ACHD) and the City of Meridian. Thankfully, the ACHD has since graciously agreed to defer the payment of their impact fees. Even so, the school cannot currently afford to finish the gym.**

Due to agreements with ACHD and the City of Meridian, which are currently unavailable to Compass, the West Ada School District does not pay ACHD impact fees and receives a discount from the City of Meridian. It is anticipated that Compass will still need to supplement their \$15,655,000 private bond with donations in order to finish the gym.

Items	Cost	Donor-Recognition Level
Gym Completion	\$500,000	1
Bleachers	\$42,000	2
Basketball Hoops	\$53,100	2
Volleyball Equipment	\$5,000	4
Gym Synthetic Floor	\$59,000	2
Audio/Video System	\$50,000	2
