

Summer Reading Bingo!

Students in 1st to 5th grades for year 2020-2021.

Every 320 minutes read/one completed sheet equals one raffle ticket in the fall. No limit on the number of sheets that can be submitted. No "double dipping" on squares; 20 minutes is required for EACH square. ALL reading selections should be appropriately challenging for the grade level and reading capability. Feel free to color in a square with polka dots, stripes, etc when each square is completed. Love to read without playing BINGO? Every square has a spot for a title and date which is sufficient for credit. You may play bingo on all of the squares, some of them or none of them. Your choice! 320 minutes recorded on this sheet equals a raffle ticket. Feel free to use the back of this sheet if you need more room to record your book titles and question answers.
